In order to design veterinary prescriptions, it is necessary to purchase veterinary prescription forms from the Food and Veterinary Service.

Process description

Process description

Service requests

In order to receive veterinary prescription forms, the veterinary medical practice authority shall submit a request stating:

- date,
- request number,
- Number of prescription forms.

The submission shall be certified with the signature of the veterinary medical practice institution or the person authorised thereto.

An application, signed with an e-signature, may be submitted using an e-mail or an e-address of the institution.

The applicant shall pay for the veterinary prescription forms received. The price of one form is specified in the price list (see below).

Service Processing

The PVD shall, after receipt of the application, issue to the applicant the requested number of veterinary prescription forms within one working day.

Receipt of services

After submitting an application to the PVD within one working day, the applicant shall receive the requested number of veterinary prescription forms.
