

Ukrainians who have entered Latvia with a pet animal should visit a veterinarian

Published: 01.03.2022.

Informācija tiem, kas ieceļo no Ukrainas ar mājdzīvnieku

Persons who have arrived in Latvia from Ukraine with their pet animal - dog, cat or ferret - must go to the nearest veterinary clinic to register, chip and, if necessary, vaccinate the pet animal.

Services will be provided free of charge for persons arrived from Ukraine.

In case of doubt, contact the Food and Veterinary Office, which will provide all necessary support and information.

Information phone - 67095245.
